Opti-Aussteller-Umfrage: Industrie lükt föhnlich, aber nicht gleich

Die Besucherinnen und Besucher wollen eine große Branchenmesse im deutschsprachigen Raum – das war eines der zentralen Ergebnisse der Umfrage, die wir veröffentlicht haben. Doch wie sieht es auf Seiten der potenziellen Aussteller aus? Das wollten wir in einer weiteren Umfrage herausfinden, die wir erneut in Kooperation mit der GHM durchgeführt haben. In vielen Punkten gleichen sich die Ansichten bei Besuchenden und Industrie, in manchen aber zeigt sich die unterschiedliche Interessenslage. [\(Mehr >>\)](#)

The photo shoots

The art shoots.

“Every person is an artist“ (Joseph Beuys). This is the approach of the art shoots, for which we cooperate with photographers who focus on an original visual language. They do not shoot commercial advertising or fashion photos, but artworks. The concept: storytelling in pictures. This requires breaks, fascination, surprise. Special feature: our models are authentic people - expressive characters, types, faces. The special accent is set by their individual expression, their charisma with glasses.
